Dear Mr McMullan

### THANK YOU FOR SUPPORTING UNICEF UK

Thank you so much for the generous donation of £700.00 that your school has raised for Unicef's vital work for children. Please accept this letter as a receipt of your donation and pass on our thanks to all who contributed to this wonderful gift.

Your school is helping us protect more children in danger

Unicef works in over 190 countries protecting children from dangers such as violence, malnutrition, conflicts and natural disasters. But one of the biggest dangers faced by children across the world is disease.

Every minute a child dies from a preventable disease. Measles, polio, tetanus, tuberculosis, diphtheria and whooping cough – the killer six – are all easily and cheaply preventable by immunisation.

Conflict, displacement and poverty keep some of the most vulnerable children from getting the vaccines they need and exacerbate the conditions under which diseases spread.

**Unicef is the world's largest buyer of vaccines, providing immunisation for more than one third of the world's children.**

Since 1980, we have helped quadruple immunisation rates for children worldwide, saving up to 3 million children's lives a year. But there is more work to be done and we will not stop until we reach every child in danger.

You've made a difference

With your help we can keep more children safe from disease and other deadly dangers.

Unicef relies entirely on voluntary donations to support our vital work for children. We don't receive any money from the UN budget so your fundraising efforts are invaluable. In meeting the challenges that lie ahead, your continued support enables us to reach the children who need us most.

If you would like to find out more about Unicef's work, you can visit our website at [www.unicef.org.uk](http://www.unicef.org.uk) or contact us by emailing [helpdesk@unicef.org.uk](mailto:helpdesk@unicef.org.uk) or calling 0300 330 5580.

**On behalf of the children, and all of us at Unicef UK, thank you so much for your school's valuable contribution.**

With best wishes,

*Katie Cox*

UNICEF UK

P.S. Did you know that just **£11** could provide a family with an emergency water kit to ensure they have access to clean, safe water?
